Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 5 Other:

5a) An election requirement, mailed 06 June 2007, was made by the Office to which the applicant responded, filed 06 July 2007, by electing claims 1-9, 19, and 20 (Group I) with traverse. However, the applicant's election with traverse failed to distinctly point out the supposed errors in the restriction requirement thus mandating a Notice Of Non-Compliant to be mailed 30 March 2008 to the applicant to which the applicant responded, filed 01 April 2008, by amending his election, still to claims 1-9, 19, and 20 (Group I), but now with neither an indication if the election is still traversed or not traversed. In order for an election to be complete, the applicant must not only elect a Group, but must clearly indicate if the election if made without traverse, or if traversed, to distinctly point out the supposed errors in the restriction requirement. Otherwise, the right to petition the election requirement is questionable. An election with traverse preserves the applicant's right to petition, an election without traverse waves the matter. No indication of traverse or without traverse leaves the matter unresolved.
